

## Valley International Country Club's How to Make a Payment

---

All of Valley International Country Club's Home Owners Accounts have been separated into the following two accounts:

- Home Owner Services
- Country Club Dues

We accept the following forms of payment:

- Cash
- Check
- Credit Cards
- Debit Cards

When paying with Check, Credit Card or Debit Card separate payments will be required for the Maintenance Fees and the Country Club Dues. Home Owners may also place a Credit Card or Debit Card on file. If Home Owners choose this option, their accounts will be billed on the first Monday of each month. Of course Home Owners are also free to setup an automatic withdraw with their banks if they prefer.

The billing cycle, at Valley International Country Club, is from the 15<sup>th</sup> of the month to the 14<sup>th</sup> of the following month. Although the payment is due on the 15<sup>th</sup>, there is a grace period for payment.

Home Owners making payments before the next billing cycle starts will not be considered late. For example, the payment for the billing cycle of January 15<sup>th</sup> – February 14<sup>th</sup> is due January 15<sup>th</sup>. However payment made before February 14<sup>th</sup> would not be considered late.
